Little Pearl May Staten, daughter of Mr. and Mrs. Sam W. Staten died April 26, aged one year, two months and twenty days. She was a bright and loving child. She was sick only thirty-two hours. All was done for her that loving parents, friends and physician could do, but to no avail, meningitis being the dread disease.

"Darling Pearl, thy place is vacant, List, thy foot steps no more we hear."

God has called his little angel, All the trouble we must bear. She was but a flower lent us, And the Father from above Will send sunshine after darkness To remind us of his love.

#### Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

#### Letter to A. C. Peterson.

Scotland Neck, N. C.

Dear Sir: If you should bake bread that people like better than any other, and at less cost by the day, you'd have a pretty-good business, wouldn't you?

We have just such a business as that in paint; a gallon goes further than any other gallon of paint in the country—that's bread at less cost by the day; but the difference isn't so small as it is in bread. And a job wears longer—that's bread at less cost by the year. People hate to paint; it costs money to paint; and they hate the fuss. They like our bread by the year.

If your bread is better than anybody else's, and costs less too, you've got a good trade; for people do like good bread; and people like money. It doesn't take long to find-out; give 'em time.

But you can't bake better-than-any-body-else's bread for half the usual price for a breakfast, can you?

Devoe is just such paint as that. The price by the gallon or loaf is no matter. Count by the day week month year lifetime. Devoe is the bread. We hope yours is as good.

Yours truly  
F. W. DEVOE & CO.

E. T. Whitehead & Co. sell our paint.

The first bottle ended the terrible cough, and this accomplished, the other symptoms left one by one, until she was perfectly well. Dr. King's New Discovery's power over coughs and colds is simply marvelous." No other remedy has ever equaled it. Fully guaranteed by E. T. Whitehead & Co., Druggists. 50c. and \$1.00.
